

ALA Care Ltd

The company of A.L.A. Care Ltd was established in 1990, bringing together Residential Care Homes of quality and distinction under one banner, built to very high standards and specifications, all homes are extensively decorated throughout.

Our aims are to provide safe, comfortable and stimulating environments for our residents, with all the comforts of their own home.

A.L.A. Care Ltd commissioned the design and build of their first purpose built home, to bring together all the latest developments in care. A third of an acre site was chosen in Whetstone, Leicester, for a 38 bed home. The Councillor Collin Grundy Lord Mayor of Leicester opened WHETSTONE GRANGE on the 12th OCT. 1991, and over the following years it had gained a reputation in quality care.

With the experience gained at Whetstone Grange the company went on to develop their second home PARKHOUSE GRANGE. This time a more rural, one and a half acre location was chosen in EARL SHILTON. The setting of this home creates a more tranquil environment.

Parkhouse Grange was built by a Leicester based company, bringing together a quality building featuring very attractive architectural designs.

Councillor D.J. Wood, Mayor of Hinckley & Bosworth Borough Council on The 10th Aug. 1996, conducted the opening ceremony.

In 2001 A.L.A. Care Ltd undertook its most ambitious project, Leicestershire's first Care Home and separate Day Care Centre, to be built to the governments new National Care Standards.

Enderby Grange was built in the Enderby / Narborough area of Leicester, near every imaginable Amenity and a short distance from Fosse Park, Leicester's premier shopping area. Enderby Grange is built in the private 4-acre development of Sparsis Gardens, which also contains a 35 place Day Care Centre and 5 luxury detached houses.

All homes are registered as Private Residential Care Homes, it is our intention to look after and provide care for our residents to the same extent as a loving relative would have provided at home.

The Care Homes benefit from the frequent weekly supervision of the two company directors,

ANDREW SPARSIS and ARTEMIS SPARSIS.

Admission

Prior to admission a trained member of staff from the home will carry out an "Assessment of Needs". A prospective resident will only be accepted if the manager feels confident that the home can adequately meet those needs.

The prospective resident is encouraged to visit the home, at least once prior to admission, and then to stay for a trial period of up to 6 weeks, before reaching a final decision to stay. If the home feels that during this period, the perspective resident is unsuitable, or that their care needs cannot be met, the home reserves the right to terminate their placement.

It is our policy to avoid unplanned admissions where possible. However, there may be occasions when an emergency arises for an individual, and subject to availability we wish to be able to act flexibly in order to meet that need.

Emergency admissions will only be accepted on the condition that sufficient information is given to the Manager so that they can determine that the prospective resident's needs, can be broadly met within the facilities and services on offer at the home. The manager undertakes to inform the resident, within 48 hours about key aspects of the home, and to complete a full assessment of need within 5 working days

Discharge

Should a discharge become necessary all relevant information about the resident is to be passed on to their new home to ensure continuing care. The resident is prepared and supported to minimise distress where applicable. The residents discharge details are entered on the CMS management system and relevant persons informed of discharge e.g. GP etc.

Arrangements for residents to engage in social activities, hobbies and leisure interests

Residents where able will be encouraged to continue with their individual interests outside the home.

Residents' interests are recorded, and opportunities will be given for stimulation through leisure and recreational activities. These will be planned in accordance with reference to the combined needs of residents, their preferences and capacities.

An updated Activities programme is produced regularly and advertised on the Resident's Notice board.

Our Home has a Facebook page, consent/non-consent to be included in status posts is thought at time of admission

Arrangements made for service users to attend religious services of their choice

It is the right of every Resident to continue to attend a place of worship of his or her particular faith, and staff will ensure that assistance is given where needed. For those unable to attend services outside the home ministers of religion will be invited to the Home.

The Home will facilitate the observance by individual Residents of those religious festivals that are appropriate to their faith.

Arrangements made for contact between residents and their relatives, friends and representatives

Our Policy is that visitors are always welcome at the home. As such, we keep an 'open house', and encourage relatives, friends and voluntary persons to call at any reasonable time.

Whilst there are no restrictions on visiting hours, in the event of a fire, it is essential that the senior member of staff on duty know how many people are in the building. All visitors without exception are therefore respectfully requested to sign in and out in the visitor's book.

Arrangements made for dealing with reviews of the resident's care plans and risk assessments

The care plan/risk assessment is drawn up with the involvement of the resident and/or their relatives where this is possible, and we will then ask the resident or their relative to agree and sign the document.

The residents' care plan / risk assessment is reviewed at least once a month, (or more frequently if the needs of the resident change significantly) and updated to reflect changing needs and current objectives for health and personal care.

Complaints Procedure

In order to maintain a happy and homely environment, it is imperative that residents, or their relatives, inform us of any problems or grievances that they may have at the time of the problem arising.

This procedure addresses the matter of how residents and / or their relatives and representatives can make complaints about anything, that goes on in the home, both in terms of the treatment and care given by staff or the facilities, that are provided. You are assured that any complaint will be listened to, taken seriously and acted upon.

We also welcome constructive suggestions and positive comments.

1. In the first instance all complaints should be directed to Senior Staff / Manager, depending on the nature of the complaint. If the complaint is regarding Senior Staff/Manager, or cannot be resolved directly by those concerned, complaints should be referred to the Directors of A.L.A. Care Limited
2. In the further event of an unsatisfactory outcome, the matter should be referred as follows:
